

TGI MALDIVES

SUNSET DOLPHIN CRUISE

SO PLAYFUL, YET SO CLEVER

Join us on our quest to observe one of the most adorable marine mammals: dolphins! The dolphins in the Maldives are wild and free, so sightings cannot be guaranteed.

Experience the thrill of searching for these playful creatures and the excitement of finally spotting them. Dolphins often enjoy swimming alongside or in front of the boat, and you might even witness them jumping and spinning in the water—a truly unforgettable sight!
