NIGHT SNORKELING

SUNDOWN EXPLORATION

Have you ever wondered what happens underwater after the sun goes down? Join us on our night snorkeling adventure and witness a new world come to life under the glow of your underwater light. Experience face-to-face encounters with the island's most beloved residents, the local sickle-fin lemon sharks. While harmless, they are sure to make this an unforgettable experience. Observe a wide range of sleeping fish and other fascinating reef inhabitants that only come out at night.

Please Note: Ability to swim (unaided) is mandatory.

What You will need: Mask & snorkel, fins

You can collect your complimentary snorkeling gear from the Dive Center.
