TURTLE SNORKELING

SO CALM... YET SO THRILLING

Join us on this exciting exploration to see turtles in their natural habitat! Gaining a deeper understanding of the life and journey of a turtle will make your encounter with them more enjoyable and meaningful.

The Maldives is home to five different species of sea turtles, with the most common ones you will see during the trip being the green sea turtle and the hawksbill turtle.

Note: Ability to swim (unaided) is mandatory.

*You will need: Mask & snorkel, fins, protection from the sun!
(You can collect your complimentary snorkeling gear from the Dive Center).*
